

## PRESS RELEASE

### YOUR TECHNOLOGY PARTNER

**All the benefits at a fixed monthly fee.** Your client and patient records, your appointments weeks in advance, your clients plans, all of these and more are on your computers. If your computers are down, or if the information is not backed up, without a computer expert, you're out of business. Without an IT department you need "Your Technology Partner."

Your Technology Partner replaces your IT Department. They remotely monitor your systems 24 hours a day, Your Technology Partner will know any problems immediately, 95% are immediately solved, (you'll never even know they happened), the infrequent few remaining will be promptly handled by an on-site visit. Your system will be Backed Up as often as every 15 minutes, or according to your individual needs, so that you never lose information again. We exist so that you can concentrate growing your business, not worrying about your computers.

Formed to serve South Florida's Professionals "Your Technology Partner" combines the talents of two successful, veteran Florida businessmen, Stuart Cantin and Christopher Wilson.

Mr. Cantin was the founder of Network Technologies Group, a multi-million dollar company, named by Dun & Bradstreet and Entrepreneur Magazine 1998 Hot100 as one of the fastest growing small business in America and by the South Florida Business Journal as No 11 in the Fast Track 40 Sept 1998. Network Technologies Group merged with Convergent Communications in 1999. Mr. Cantin left the company to form Information Consulting Associates, Inc before joining with Mr. Wilson.

Mr. Wilson was co-founder of Image Supply Company and Image Janitorial Company, formed in 1988 both were multi-million dollar companies. Mr. Wilson sold his interest in 2007. Mr. Wilson is well known in business circles in South Florida and in the Chambers of Commerce in this area.
